It is further request the location of books in the place allocated for the library of the patio, because this place is not complying with its duties due to the lack of material.

- Penitentiary Treatment: The patio does not have special and appropriate places for the accomplishment of educational and labor activities. Therefore, we request to locate tents for the people who are carrying out hand or sewing activities in order to avoid climate hazards. In addition, Authorization is requested for the entrance of sufficient material for the performance of these activities and the location of the gym.
- Booths: The concern for sharing the booths with the inmates personnel from other Sections was reported, because this does not guarantee privacy, and because many of them have been blackmailed at this place or in the way to it through the delivery of writings, therefore they request the fitting of an exclusive space for the individuals requested in extradition, due to safety reasons.
- Visits:
- It is request it to study the possibility of granting more time for the spouse visit, because the time granted is not enough (30 minutes).
